

CALFED
BAY-DELTA
PROGRAM

MAY 27 1998

Public Comment

Date 5/27/98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

The assurance of reliable water supplies for
agriculture is meaningless if it is not an
affordable supply as well.
Water quality in Old River will not improve
under any of these three alternatives. This does not
even consider the planned future negative impacts of
the new towns (Gold Rush City + Mountain House) and
the growth of the city of Tracy.
